Warehousing/Distribution

Seven Locations to Better Serve the Ports of Los Angeles/Long Beach, LAX, Inland Empire and the Midwest

Custom Goods offers a broad spectrum of warehousing and logistic services from six strategically located facilities in the southern California basin. Our Carson/South Bay warehouses are 5 miles from the Ports and offer both drayage and managed FTZ services. CG's LAX location specializes in ULD & AMJ air pack-outs to Hawaii and Alaska.

Custom Goods customers include major retailers, electronics, appliance and automotive manufactures. The three (3) Inland Empire facilities; Rancho Cucamonga (2) and Ontario Auto Prep Facility (1) offer dedicated teams, space and services to OEM contract customers. CG's controlled growth and robust service offerings to these primary markets and beyond, make them the leading choice for logistic solutions.

-  2,200,000+ sq. ft. of warehousing space
-  6 Carson Warehouses located in the Heavyweight Container Corridor
